B12 Clarinet

START WITH A LEGENDARY NAME

Since its inception, Buffet Crampon has ranked first amongst instruments manufacturers, owing to its unrivalled expertise and innovative approach. Designed and manufactured by the world's leading clarinet brand, B12 student clarinets are made from ABS resin with an appearance and sound similar to that of genuine Grenadilla wood. These models are lightweight, strong and easy to clean perfect for every beginner. The B12 model has a very attractive and traditional design with silver-plated body rings, straight key work and a traditional bell ring.
