Clarinet Finger Optimiser

# Smoother playing starts now.

Classical fingers® is the only learning tool that helps create a more efficient and smoother technique when playing the clarinet.

## Clip & Play...

Simply stretch 2 magnetic bands onto the Clarinet and Clip the guard into place. You're ready to play!

## Creativity in learning...

Enjoy the creativity of playing without worrying about your finger placement. Classical fingers prevents the fingers from lifting too high ensuring the correct technique and muscle memory is established.

## Confidence in playing...

After using classical fingers for only a week you will notice improved results in your playing, giving you the confidence to excel.
