WIND & STRINGED INSTRUMENT STANDS

HERCULES EZ-SAFE wind & stringed instrument stands are designed in response to the disturbing complaint that expensive wind instruments fall off ordinary stands.

Has your saxophone ever been knocked off its stand? Want a solid stand that holds your cello securely?

Choose HERCULES EZ-SAFE stands and put to rest any worries you have about placing valuable instrument on a stand. We have done extensive research to make sure our stands provide solid support you've been looking for.
