

## M2 Marigaux Oboe

M2

\$18795

- Personalised instrument
- Individual choice of head joints
- Streamline design
- Improved tuning
- 3 head-joint lengths available: short, standard and long
  - Head-joints can be easily changed to suit individual needs so that tuning, colour, depth and fluidity of sound are all adjustable
- In extreme climatic conditions a phenol-resin head-joint can be used in place of a wooden one to avoid unnecessary cracks
- The instrument is assembled by aligning the octave key pillar with the plate on the main body of the oboe
- Ergonomically improved Bb, B and Eb keys
