

Super Action 80 Series II

B-flat soprano saxophone

The B-flat soprano saxophone "Super Action 80 Series II" represents a significant advance in the overall design of the soprano and asserts itself as a particularly interesting model in terms of sound colour.

A beautifully toned instrument, rich in high harmonics, it has excellent projection power. Its design (one-piece tube) ensures great playing stability, particularly as regards pitch and blowing.

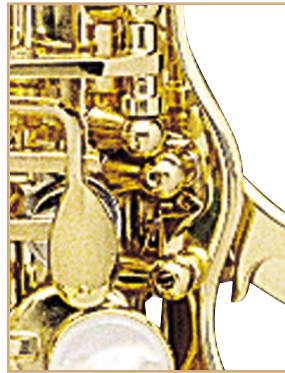

"Super Action 80 Series II" soprano: the best in blowing...

- key: B-flat.
- range: high F sharp.
- thumb rest : adjustable, in plastic.
- leather pads, metal booster.
- finishes: lacquered, lacquered with engraving, silver-plated, silver-plated with engraving.
Optional: black, brushed, gold-plated.
- Selmer Paris mouthpiece.
- "Super Action 80 Series II" soprano "Light" case.

the keyword: the positioning of the left- and right-hand little finger spatula groups affords particularly well-balanced handling.

the high F sharp key: the spatula design suits various playing positions and prevents the right hand from clenching.

the left hand double F key: a spatula shape replaces the traditional mother-of-pearl and combines comfort and efficiency for the left hand forefinger while improving the harmonics technique.

the thumb rest: made of plastic, its shape and its location have been studied to prevent fatigue and tension in the fingers.

the top-of-the-line Selmer "Light" case in charcoal-grey cordura, specially designed for the "Super Action 80 Series II" soprano saxophone, ensures optimum protection of the instrument.

High-density foam insulating interior, with expanding score pocket. In backpack version with removable non-slip wide, padded straps.

the mouthpieces
