Trevor James Flutes

We believe that musicians both young and experienced who choose to play a Trevor James flute deserve an instrument that not only meets their expectations, but exceed them!

We are the UK's leading specialist flute company with over 30 years of experience in design, manufacture and distribution. Our priority remains to ensure that the tonal and manufacturing quality of each and every Trevor James flute will enhance the dedicated effort put into the study and performance of flute players around the World.

We have the largest headjoint and specification options available of any flute maker, working closely with an international network of players and teachers to ensure that our flutes continue to perform to the highest and most exacting standards. Our worldwide reputation ensure that we remain at the top of the player and teacher recommendation list.

Complete specification listing for Trevor James flutes

Trevor James 10x

The Trevor James 10x flutes are designed to be free blowing and easy to play. Ideal for the new player or musician returning to study. Curved headjoint options are suitable for the smaller musician.

All 10x flutes are silver-plated throughout. Options include straight and curved headjoint, with or without E mechanism. Flutes are supplied in an all-in-one Prolite case/cover with shoulder strap and cleaning rod.

TJ 10x Mk III with curved headjoint

TJ 10x Mk III

"I believe that Trevor James flutes have a wonderful sound. They are easy to play and are very encouraging to new and established players. Many of my students simply refer to their flutes as 'Trevor' ... I love them!"

Nariida Coleman - Melbourne, Australia
Flute player, Educator and examiner

Trevor James Performers Series

TJ Privilege - silver-plated headjoint, body tube and pointed key arm mechanism

TJ Cantabile - 925 silver headjoint, silver-plated body tube and silver-plated pointed key arm mechanism

TJ Virtuoso - 925 silver headjoint and body tube with silver-plated pointed key arm mechanism

“Trevor James flutes are characterised by their warm and velvet sound with easy to play nuances. The Privilege flutes are well adjusted with a fine mechanism and are very free blowing, while the Cantabile and Virtuoso have the hallmarks of the unique Trevor James sound”.

Susanne Köhler - flute player and teacher - Germany

The Trevor James Performers Series is a complete range of flutes from beginner through to Music Conservatory study.

All Performers Series flutes are available with inline or offset 'G', open or closed hole mechanism, with or without 'E' mechanism and with 'C' or 'B' footjoint. Open hole inline 'G' flutes are not available with 'E' mechanism.

Additional headjoint options include the traditional Trevor James lip plate or 'Shaped' lip design in 925 silver with 9k riser and lip / riser. Wooden lip and riser headjoint also available.

All 'Performers' Series models come complete with wooden case, fleecy lined case cover, wooden cleaning rod, internal gauze and cleaning cloth.

Trevor James Recital Range

An exiting range of professional quality flutes complete with handmade Flutemakers Guild of London headjoints crafted by Fluemakers such as Michael Allen and Andrew Oxley.

Recital flutes are available with inline or offset 'G', open or closed hole mechanism, with or without 'E' mechanism and C or B footjoint. C# trill and D# roller along with thick wall body tubing is available on Recital 2 and Recital 3 models.

All Recital flutes have 925 silver handmade Flutemakers Guild of London headjoints by Michael Allen or Andrew Oxley. Additional 9k and 14k riser, lip and riser and tube options available upon request.

Recital 1 - 925 Silver headjoint, silver-plated body and footjoint tube with pointed key arms

Recital 2 - 925 Silver headjoint and body tube with silver-plated pointed key arms

Recital 3 - 925 Silver headjoint, body and pointed key arms

"Trevor James flutes are well designed and made to a high standard. They have a really great sound and I have no hesitation in recommending them to my students!"

Vladimir Kudrya

Flute player and teacher - Russia

Trevor James Alto Flutes

Performers Series Alto curved head silver-plated headjoint, body and Y arm mechanism

Performers Series Alto straight head - 925 Silver lip and riser with silver-plated headjoint, body and Y arm mechanism

Recital 1 Alto - 925 Silver headjoint with silver-plated body, footjoint tube and pointed key arm mechanism

Recital 2 - 925 Silver headjoint, body and footjoint tube with silver-plated pointed key arm mechanism

Additional Recital headjoint options include 9k riser and 9k lip / riser. The Performers Series straight head alto is also available with black nickel-plated body and either silver-plated or black nickel-plated mechanism.

"The Trevor James Alto flute has a sound that captures the expressive deepness of each player... a warm tone recalling the human voice. It is very flexible in the high register and very easy to play in tune. A great choice if you want to play solos or in a group"

Gergely Ittzés - Flute player and leader of the TeTraVERSI flute quartet - Hungary

Trevor James Bass Flute

The new Trevor James Bass flute is an excellent addition to complete our range of flutes. The hand finished 925 silver lip and riser headjoint enables the bottom register to project freely without compromising the top octaves which can be reached with ease and clarity.

Excellent tonal colour and dynamic facility combine with soldered tone holes, pointed key arms and a well designed mechanism to create a superb and exacting bass flute. Comfortable as a solo performer or in a flute choir, the Trevor James Bass flute is handmade to exacting standards without compromise.

Silver-plated headjoint with 925 silver lip-plate and riser

- Silver-plated body tube and mechanism
- Soldered tone holes
- 'French-style pointed' key arms
- Pearl touchpieces
- Bb to B left hand thumb key roller
- Comfortable left and right hand positions
- Hand-turned and shaped wooden left hand support crutch
- Deluxe wooden case with purple lining and pocket
- Case cover with shoulder strap and carry handles
- White gauze cloth
- Microfibre cloth
- Cleaning rod

"It is a beautiful instrument with a clear and full round tone and also very comfortable to play"

Theo Travis www.theotravis.com

Trevor James Piccolo

The Trevor James Recital professional piccolos are handcrafted to produce a warm, rich sound that blends perfectly with other acoustical instruments. Available with silver-plated or 925 silver mechanism.

- Accurate scale A=442
- Conical bore
- Custom reformed Grenadilla wood headjoint
- Grenadilla wood body
- Cork body joint
- Valentino pads
- Gold springs
- 925 Silver mechanism or silver-plated mechanism options
- E mechanism as standard
- Leather bound wooden case
- Deluxe soft leather case cover

"I can't recommend Trevor James flutes and piccolos highly enough. They have a good scale, exceptional headjoint options and have been durable to even the heaviest handed of my students. Bravo!"

Jayne Bowden – UK flute teacher
