

PREFACE™ MUSIC STAND

The low-cost music stand that's high on features

The Wenger Preface™ Music Stand combines affordability with reliability. The large aluminum desk provides ample space for displaying music. A large one-piece attachment bracket and bolt-through desk attachment holds the desk securely to the stand. A reliable brake mechanism provides precise height adjustment and the stand can be easily positioned whether seated or standing. A 14-gauge steel-welded base features a wobble-free base attachment that won't loosen because it can't twist in the base – no more weekly tightening of wobbly stands! Slim and lightweight, the Preface Music Stand is just under 6 lbs. (under 3 kg.) so it's easy to carry several stands in one hand. And the recessed desk lip lets you stack stands quickly on a cart because there's no need to flip the desks.

The Wenger Preface Music Stand – a smart economical addition to your music program.

PREFACE™ MUSIC STAND

Music Stand Light clips securely onto the Wenger Preface Stand or other music stands. Light is directed only to music for easier reading without glare. Finish is textured black powder-coat. Ample 6' cord and 40-watt bulb included.

LED Music Stand Lights are compact and adjustable, with LED technology so there are no bulbs to replace. Dual arms ensure evenly distributed light. Extra-strong grip clamp.
