Key Features

- **CY Headjoint** Featuring a double flare taper and a unique embouchure hole undercut design for excellent response and a warm rich tone, the CY headjoint helps beginners quickly learn to produce a beautiful sound. More advanced players will appreciate its even, quick response in all registers.
- **Key Posts** Key posts have been thickened and redesigned for improved durability and strength to maintain accurate rod alignment.
- **Keys** All key shapes and placement have been ergonomically designed for a comfortable, natural-feeling performance. The keys are hand-assembled and adjusted for perfect balance and 'touch.'
- **Alignment Marks** Footjoint alignment marks facilitate proper fitting by young players.
