THE YAMAHA ADVANTAGE

More than just inexpensive versions of our professional flutes, 200 series flutes feature the same high-grade design and craftsmanship of our 300 and 400 series models. Durable nickel silver construction is plated with silver for an attractive finish. Yamaha flutes are relied upon by teachers, parents and students for their robustness, excellent response and intonation. Practice and performance on a quality instrument is rewarding, resulting in a better outcome for young players.
