

YHR668DII

Professional Series Full Double Horn

YHR668DII \$ 8,499 RRP

YHR668DII

Key Features

- Rotary valves and slides that have been hand-lapped and have a smooth action
- Cyclical bore is a perfectly cylindrical tubing assembly in combination with a conical leadpipe and bell system. This allows for consistent air flow throughout the horn
- Tapered valves wear for a long time without air leakage
- Excellent sound in all registers with deep, warm tone colors

Key	F/Bb
Valves	5 rotary valves
Bell Type	Detachable
Bell Size	LL
Bore Size	12mm (0.472")
Body Material	Yellow Brass
Valve Casing Material	Nickel Silver
Finish	Clear Lacquer

THE YAMAHA ADVANTAGE

The YHR668DII combines the beautiful rich tone and commanding presence the great vintage 'Kruspe' style horns. Add to this state-of-the-art intonation and playability and the result is rich, warm and colourful tone. The YHR668DII can project solos or blend with the section and is so full of life it can fill any concert hall. The response is quick and easy, and offers excellent control even at pianissimo.
