

STANDARD TRUMPET

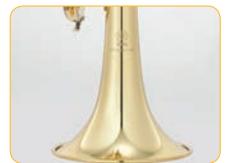

YTR2330 Carry Case

Standard Trumpet YTR2330 **NEW!**

(Previously 1335)

- Lighter! Better for posture and student can play (and practice!) longer
- Monel pistons
- Easier to repair – slide process is soldered and ball formed (instead of hydro formed) as for pro models
- Indentation on valve caps more rough – easier to spin
- Black cap on adjustable 3rd valve slide
- Slide saddle (thumb)

Lighter bell

Two water keys

Monel pistons
