The warranty covers all defects in materials or workmanship for the duration of the product warranty and is in addition to the protection conferred by law. We will pay all labour and material costs for items covered under this warranty, provided the repairs are carried out with our approval by an authorized Yamaha Service Centre. Yamaha will, at its option, repair or replace the product covered by this warranty which becomes defective, malfunctions or otherwise fails to conform within this warranty under normal use and service during the term of this warranty, without charge for labor or materials. This warranty does not cover (a) damage, deterioration or malfunction resulting from accident, negligence, misuse, abuse, operation or failure to follow instructions contained in your Owner's Manual; any shipment of the product (Claims must be presented to the carrier.); repair or attempted repair by anyone other than YAMAHA or an authorized YAMAHA Service Centre (b) any unit which has been altered or on which the serial number has been defaced, modified or removed; (c) normal wear and any periodic maintenance; (d) deterioration by reason of perspiration, corrosive atmosphere, or other external causes such as extremes in temperature or humidity; (e) pads and felt parts; (f) any evidence of alteration, erasing or forgery of proof of purchase documents will cause to void the warranty. Should any product submitted for warranty service be found ineligible, an estimate of repair cost will be furnished and the repair will be accomplished only if requested by the owner and upon receipt of payment or acceptable arrangements for payment. Freight, handling and removal/installation costs are not covered under this warranty.
