

THE BIRTH OF A CLARINET

THE STORY BEGINS UNDER THE AFRICAN SUN
WHERE THE EBONY SLOWLY PREPARES FOR ITS CAREER...

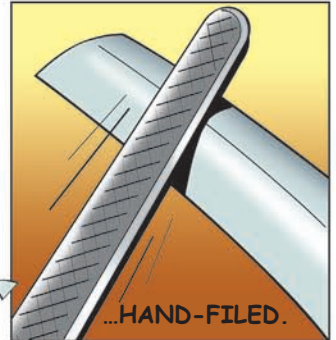

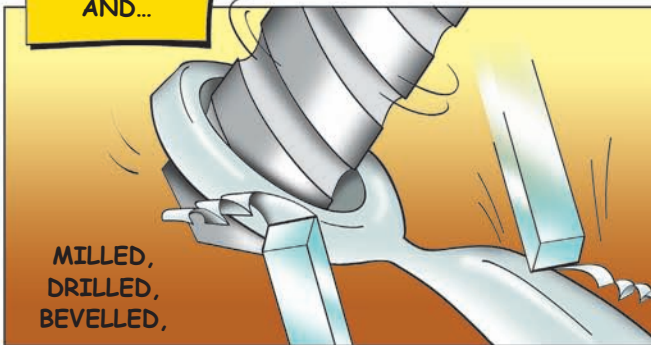

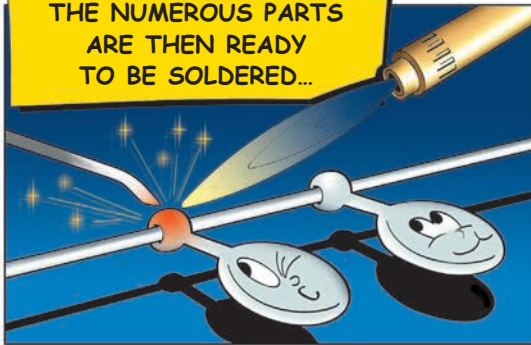

MEANWHILE,
IN ANOTHER PART
OF THE
FACTORY,
THE METAL
ARRIVES
IN SHEETS
OF VARIOUS
THICKNESSES,

AND...

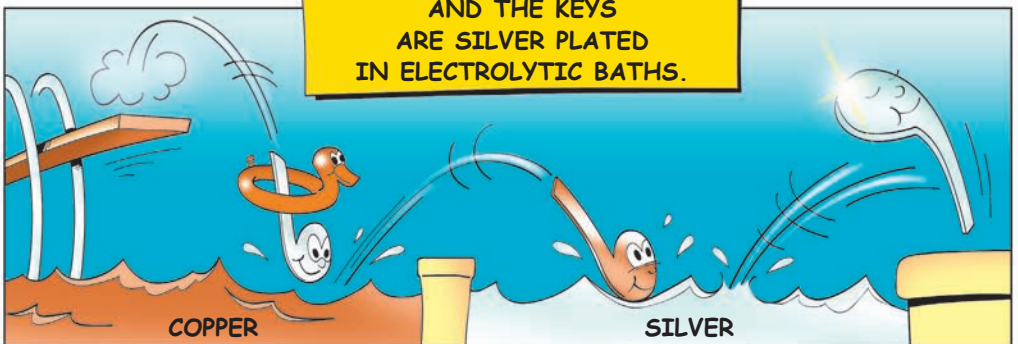

THE NUMEROUS PARTS
ARE THEN READY
TO BE SOLDERED...

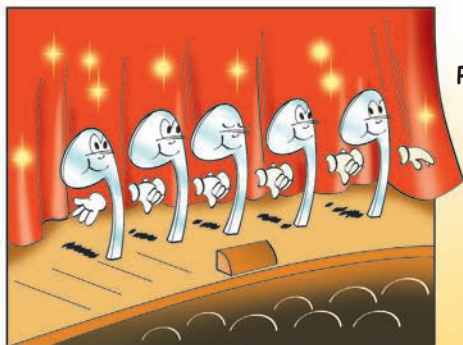

A FINAL POLISH
IN A CERAMIC BATH,

AND THE KEYS
ARE SILVER PLATED
IN ELECTROLYTIC BATHS.

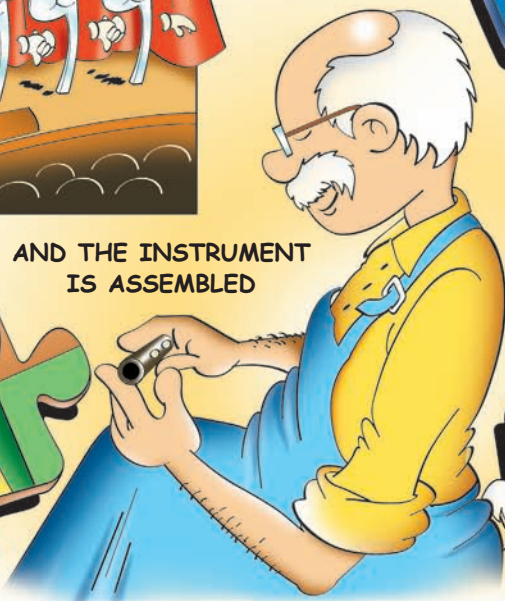

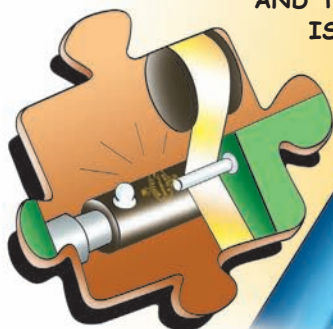

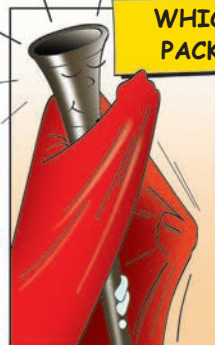

FINALLY,
PADS ARE FITTED...

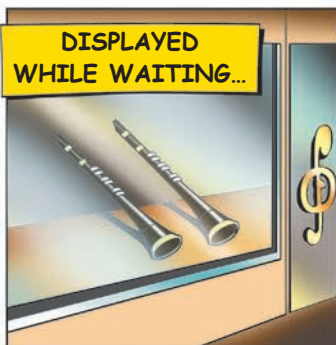

AND THE INSTRUMENT
IS ASSEMBLED

A MUSICIAN
TESTS
THE CLARINET

WHICH WILL BE
PACKED, SENT,

DISPLAYED
WHILE WAITING...

TO MEET
THE MUSICIAN...

...IT WAS
MADE FOR.
